Received: 11 January 2019; Accepted: 11 January 2019; Published: 12 January 2019

The authors wish to make the following change to their published paper [1]. The following sentence on page 18

“...The absorption coefficient (α) in turn is linked to the frequency (ω), particle concentration (c) and extinction coefficient (K), as illustrated in Equation (27) [79].”

is replaced by

“...The absorption coefficient (α) in turn is linked to the frequency (ω), speed of light (c), and extinction coefficient (K), as illustrated in Equation (27) [79].”

The manuscript will be updated and the original will remain available. A link to this Erratum will be added.
