Message from the Editorial Board

Econometrics has had an impressively successful start, with articles published by leading econometricians that are accessible with a minimum of delay. *Econometrics* has already established a reputation for the quality of its published papers and the fairness and consistency of the editorial process. *Econometrics* takes as its standard to publish research of international significance that will have a lasting impact on the direction of econometric theory and practice. It is competitive with leading journals in the field, with the advantage of timely, open-access publication.

Author Benefits

-  **Open Access** Unlimited and free access for readers
-  **No Copyright Constraints** Retain copyright of your work and free use of your article
-  **Thorough Peer-Review**
