Editor-in-Chief
Prof. Dr. Ralf Fendel

Message from the Editor-in-Chief

Economies is an international, peer-reviewed open access journal for the field of development economics and macroeconomics. Contributions in Economies should foster the understanding of the macroeconomic process of economic development. Economies content is not exclusively reserved to developing countries. Contributions concerned with the economic developments in advanced countries are also very welcome. Emphasis is on applied empirical and analytical work, and theoretical papers with applications.

Author Benefits

Open Access
No Copyright Constraints  Retain copyright of your work and free use of your article
