reproductive medicine

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Berthold Huppertz

Message from the Editor-in-Chief

Welcome! Those of you who are interested in reproductive medicine and biology are warmly invited to submit your original research articles, short communications and comprehensive reviews for consideration and publication in *Reproductive Medicine* (ISSN 2673-3897). Our journal *Reproductive Medicine* is published in open access format, i.e. your articles and reviews are published online immediately after acceptance. The scientific community and the general public will have unlimited and free access to the content as soon as it is published. We would be more than pleased to welcome you as one of our authors.

Author Benefits

-  **Open Access** Unlimited and free access for readers
-  **Rapid Publication** First decisions in 16 days and acceptance to publication in 4 days, median values for MDPI journals in 2019
-  **Recognition of Reviewers** APC discount vouchers, optional signed peer review, and reviewer names published annually in the journal
-  **No Space Constraints, No Extra Space or Color Charges** No restriction on the length of the papers, number of figures or colors

Aims and Scope

Reproductive Medicine invites submissions that address the cell biological, molecular, (epi-)genetic, as well as physiological and morphological, aspects of reproductive medicine. Hence, *Reproductive Medicine* invites submissions on a wide range of topics, including, but not limited to:

- Maternal–fetal medicine and biology
- Obstetrics, embryology, and pregnancy
- The human placenta, including relevant studies on animals
- Major pregnancy disorders such as IUGR, preeclampsia, etc.
- Cellular and molecular mechanisms of reproduction
- Prenatal and preimplantation genetic diagnosis
- Reproductive endocrinology and reproductive epidemiology
- Reproductive immunology
- Fertility and infertility
- Assisted reproductive technologies
- Reproductive oncology, gynecology, and andrology
- Pathogenesis of sexual organ diseases
