Message from the Editor-in-Chief

The journal Medicina, has been issued since 1920, and is a peer-reviewed, bi-monthly journal that mainly focuses on publishing reviews and clinical and experimental studies. Medicina publications cater to clinicians, diagnosticians and researchers, and serves as a forum to discuss the current status of health-related matters and their impact on a global and local scale. The journal aims to report advanced knowledge related to problems in medicine, disseminate research on global health, and promote and foster prevention and treatment of diseases worldwide. Please consider Medicina for your next publication of novel and innovative research.

Author Benefits

- **Open Access**  Free for readers, with article processing charges (APC) paid by authors or their institutions

- **High Visibility**  Indexed in the Science Citation Index Expanded (SCIE - Web of Science) and by Scopus. Indexed for MEDLINE; citations available in Pubmed, full-text archived in PubMed Central

- **Rapid Publication**  Manuscripts are peer-reviewed and a first decision provided to authors approximately 21.5 days after submission; acceptance to publication is undertaken in 2.5 days (median values for papers published in this journal in the second half of 2020)

- **Recognition of Reviewers**  Reviewers who provide timely, thorough peer-review reports receive vouchers entitling them to a discount on the APC of their next publication in any MDPI journal, in appreciation of the work done
**Aims and Scope**

The journal serves as a platform for exchange of knowledge by publishing original research articles, reviews, and case reports that will contribute to the current knowledge and encourage future research including, but not limited to, the following subjects:

- Cardiology and Cardiovascular Medicine
- Neurology (clinical)
- Ophthalmology
- Orthopedics and Sports Medicine
- Surgery
- Cancer Research
- Pharmaceutical Science and Pharmacology
- Hematology
- Oncology
- Endocrinology, Diabetes and Metabolism
- Public Health, Environmental and Occupational Health
