Editor-in-Chief

Prof. Dr. James Albright

Message from the Editor-in-Chief

From its first issue in 2011, Education Sciences (ISSN 2227-7102) has grown as a scholarly international open access journal. Its aim remains to publish extended full-length research papers that have the scope to substantively address current issues in education. As a member of the Committee on Publication Ethics (COPE), our goal has been to disseminate high quality research. Our publisher, MDPI, takes the responsibility to enforce a rigorous double-blind peer-review together with strict ethical policies and standards to ensure to add high quality scientific works to the field of scholarly publication.

Author Benefits

-  **Open Access** Unlimited and free access for readers
-  **No Copyright Constraints** Retain copyright of your work and free use of your article
-  **Thorough Double-Blind Peer-Review**
-  **No Space Constraints, No Extra Space or Color Charges** No restriction on the length of the papers, number of figures or colors
-  **Discounts on Article Processing Charges (APC)** If you belong to an institute that participates with the MDPI Institutional Open Access Program

Aims and Scope

Education Sciences publishes papers that synthesize information from disparate backgrounds, place research findings within a broad context, extend our methodological and theoretical understanding, and have the likelihood of informing education policy and practice. Quantitative, qualitative and mixed method research papers and extended reviews of substantive research studies and/or technical reports published elsewhere are all welcome.

The scope of *Education Sciences* includes:

- Educational administration and educational management
- Educational philosophy and theory of education
- Educational history
- Educational policy
- Curriculum studies
- Educational technology systems
- Educational technology
- Learning and teaching
- Pedagogies
- Sociology of education
- Special education
- Teacher education
- Testing and evaluation
