The authors wish to make the following correction to the paper [1]. Due to a copyright issue in Figure 1, replace:

**Figure 1.** Astroloy in the as-HIPped (hot isostatic pressing) condition **a**); after sub-solvus solutioning **b**); after super-solvus solutioning **c**).

With

**Figure 1.** Astroloy in the as-HIPped (hot isostatic pressing) condition (adapted from [8]); a) after sub-solvus solutioning b); after super-solvus solutioning c).

These changes have no material impact on the discussion and conclusions of the paper. The authors would like to apologize for any inconvenience caused to the readers by these changes.

**Conflicts of Interest:** The authors declare no conflict of interest. The funders had no role in the design of the study; in the collection, analyses, or interpretation of data; in the writing of the manuscript, or in the decision to publish the results.
