Acknowledgement to Reviewers of Metals in 2019

Metals Editorial Office

MDPI AG, St. Alban-Anlage 66, 4052 Basel, Switzerland; metals@mdpi.com

Published: 19 January 2020

The editorial team greatly appreciates the reviewers who have dedicated their considerable time and expertise to the journal's rigorous editorial process over the past 12 months, regardless of whether the papers are finally published or not. In 2019, a total of 1366 papers were published in the journal, with a median time to first decision of 13 days and a median time from submission to publication of 32 days. Among the reviewers who reviewed for Metals in 2019, the following five have been selected to receive the "Metals Outstanding Reviewer Award 2019" for the timeliness and quality of their review reports in 2019:

Dr. Antonio Riveiro from University of Vigo, Spain
Prof. Francisco J. G. Silva from Polytechnic Institute of Porto, Portugal
Dr. Javier Aldazabal from University of Navarra, Spain
Prof. Jose Diaz from University of Oviedo, Spain
Dr. Maciej Motyka from Rzeszow University of Technology, Poland

The editors also express their sincere gratitude to all of the following, who shared their time and expert opinion by reviewing for Metals in 2019:
