Editorial

Acknowledgment to Reviewers of *Reproductive Medicine* in 2020

*Reprod. Med.* Editorial Office

Peer review is the driving force of journal development, and reviewers are gatekeepers who ensure that *Reproductive Medicine* maintains its standards for the high quality of its published papers. Thanks to the cooperation of our reviewers, in 2020, the median time to first decision was 16.5 days and the median time to publication was 45.5 days. The editors would like to express their sincere gratitude to the following reviewers for their precious time and dedication, regardless of whether the papers were finally published:
