The authors wish to make the following corrections to this paper [1]:  
Please replace Figure 5 with the figure below:

**Figure 5.** A 6-day average of the evaporative fraction ( $EF = LE/R_n$ ) and heat fraction ( $HF = H/R_n$ ) for (a) SMA and (b) PAS throughout Sept 2014 to Sept 2016. The hatched areas refer to Autumn–Winter (AW) periods.

The authors would like to apologize for any inconvenience caused to the readers by the change. The change does not affect the scientific results. The manuscript will be updated, and the original will remain online on the article webpage with a reference to this correction.
