

Sciforum

Allowing you to focus on what
really matters — Science

You provide the content.
We can manage all the rest!

About Us

Launched in 2009 by MDPI, Sciforum is an event management platform that supports open science by offering the opportunity to participate in, as well as to organize, academic conferences. Having hosted hundreds of events (be it in-person conferences, online conferences, webinars, etc.), Sciforum's experienced team members are available to assist you in selecting the best services adapted to your needs.

What We Offer

- Setting up and maintaining the event's website
- Managing the registration, billing, sponsors, etc.
- Handling and coordinating the event's schedule
- Managing the review process
- And much more...

Not interested in certain options? Want to manage the whole event by yourself? No problem, we are flexible and can adapt our offer to your needs.
