

biomedicines

In order to celebrate the 10th anniversary of *Biomedicines*, the editorial office has released “Anniversary Special Issues”. We welcome authors from all over the world to publish their papers in these Special Issues.

In recognition of our authors’ support, we are pleased to launch the “*Biomedicines* 2022 Best Paper Award for Anniversary Special Issues”. The papers will be selected after thorough evaluation by an Award Committee officially which is composed by Editorial Board Members of *Biomedicines*, officially chaired by Editor-in-Chief Prof. Dr. Felipe Fregni.

2022 BEST PAPER AWARD FOR ANNIVERSARY SPECIAL ISSUES

Eligibility for the Award:

- Open to all career levels;
- ONLY papers published in these Special Issues will be considered. Papers submitted after 30 November 2022 will not be eligible for this award.

Selection Criteria:

The paper will be selected by the journal’s Award Committee according to the following criteria (data source: Web of Science (Clarivate Analytics)):

- Scientific merit and broad impact;
- Originality of the research objectives and/or the ideas presented (for research article);
- Creativity of the study design or uniqueness of the approaches and concepts (for research article);
- Comprehensiveness for review article;
- Citation and download rates by 30 November 2023.

Prizes:

- One first prize: CHF 800 and a chance to publish a free paper in *Biomedicines* in 2024;
- Two second prizes: CHF 500;
- Three third prizes: CHF 300.

The winners will be selected and announced by March 2024.
