

## CONTACT INFORMATION

- 157 Calea Mărășești  
600115, Bacău, Romania
- E-mail: cristina.grigoras@ub.ro
- Phone: +40234-542411 ext. 168

## SKILLS

- Ability to work in multicultural environments
- Adaptability to new and unforeseen situations
- Ability to make quick decisions
- Ability to structure, synthesize and organize information

## RESEARCH TOPICS

- Adsorbent materials preparation and characterization
- Gels formulation
- Water pollutants adsorption
- Food waste valorization
- Bioactive compounds extraction

## ACHIEVEMENTS

- > 60 scientific papers
- 3 books
- Expert in multiple projects
- Reviewer for scientific journals

## LANGUAGES

- Romanian – *Native*
- French – *Fluent*
- English – *Fluent*

## WORKING EXPERIENCE

### 2018 – Present – Associate teacher

Employer – “Vasile Alecsandri” University of Bacău, Romania  
Faculty of Engineering  
Department of Chemical and Food Engineering  
Activities

- Teaching activities in Transfer Phenomena and Unit Operations
- Scientific research projects

### 2018 – Present – Administrator

Employer – “Vasile Alecsandri” University of Bacău, Romania  
“Alma Mater” Publishing House  
Activities – coordination of publishing activities

### 2007 – 2018 – Assistant professor

Employer – “Vasile Alecsandri” University of Bacău, Romania  
Faculty of Engineering  
Department of Chemical and Food Engineering  
Activities

- Teaching activities in Transfer Phenomena and Unit Operations, Depollution of Effluents from the Food Industry and Biotechnologies, Biotechnologies in Environmental Protection, Chemical and Biochemical Unitary Processes, Modeling and Optimization of Biotechnological and Food Processes
- Scientific research activities
