

Acknowledgement to Reviewers of *Energies* in 2018

Energies Editorial Office

MDPI, St. Alban-Anlage 66, 4052 Basel, Switzerland

Published: 8 January 2019

Rigorous peer-review is the corner-stone of high-quality academic publishing. The editorial team greatly appreciates the reviewers who contributed their knowledge and expertise to the journal's editorial process over the past 12 months. In 2018, a total of 3588 papers were published in the journal, with a median time to first decision of 14.39 days and a median time to publication of 35 days. The editors would like to express their sincere gratitude to the following reviewers for their cooperation and dedication in 2018:
