

Modification list

No	Description
1	Add the telephone number
2	Add the sentence 'All included studies were evaluated on the basis of the 8 criteria listed in Table 1.' above the table 1.
3	Renumber the references through NoteExpress and renumber reference list (reference 20-35), but I am not sure that such modification conforms to the publication requirement.
4	Add a line in Table 2, (last row, I am not sure that it is necessary)
5	Modify Italic n in figure 1; Add space before and after = in figure 1.
