agriculture

an Open Access Journal by MDPI

Editor-in-Chief

Prof. Dr. Les Copeland

Message from the Editor-in-Chief

Agriculture (ISSN 2077-0472) is an international and cross-disciplinary scholarly and scientific open access journal on the science of cultivating the soil, growing and harvesting crops, and raising livestock. *Agriculture* is published in an open access format – research articles, reviews and other contents are released on the Internet immediately after acceptance. The scientific community and the public have unlimited and free access to the content as soon as it is published.

Author Benefits

-  **Open Access** Unlimited and free access for readers
-  **No Copyright Constraints** Retain copyright of your work and free use of your article
-  **Thorough Peer-Review**
-  **Indexed in Emerging Sources Citation Index** ESCI - Web of Science
-  **No Space Constraints, No Extra Space or Color Charges** No restriction on the length of the papers, number of figures or colors
-  **Discounts on Article Processing Charges (APC)** If you belong to an institute that participates with the MDPI Institutional Open Access Program

Aims and Scope

We aim to look at production, processing, marketing and use of foods, fibers, plants and animals. The journal *Agriculture* will publish reviews, regular research papers, communications and short notes, and there is no restriction on the length of the papers. Our aim is to encourage scientists to publish their experimental and theoretical research in as much detail as possible. Full experimental and/or methodical details must be provided for research articles.

The scope of *Agriculture* includes:

- Cultivation of crops and plant breeding
- Sustainable Agriculture
- Organic Agriculture
- Industrial Agriculture
- Intensive farming
- Animal production
- Seasonal Agriculture and climate change
- Agroecosystems, soil, carbon and water
- Fertilizers and pesticides
- Agricultural products - raw materials, foods fibers, fuels postharvest and quality
- Trade, livelihoods, rural communities and aid
- Health and safety
