

Acknowledgement to Reviewers of *Toxins* in 2018

Toxins Editorial Office

MDPI, St. Alban-Anlage 66, 4052 Basel, Switzerland

Published: 9 January 2019

Rigorous peer-review is the corner-stone of high-quality academic publishing. The editorial team greatly appreciates the reviewers who contributed their knowledge and expertise to the journal's editorial process over the past 12 months. In 2018, a total of 515 papers were published in the journal, with a median time to first decision of 14 days and a median time to publication of 35 days. Among the reviewers who reviewed for *Toxins* in 2018, the following two have been selected to receive the "*Toxins* 2018 Outstanding Reviewer Award" for the timeliness and quality of their review reports in 2018:

Tolosa, Josefa from University of Valencia, Spain

Yoshinari, Tomoya from National Institute of Health Sciences, Japan

The editors would like to express their sincere gratitude to the following reviewers for their cooperation and dedication in 2018:
