The Water Editorial Office has been made aware that the published paper [1] has a significant overlap with a previously published manuscript from the same authors, submitted to a Chinese journal [2]. In order to preserve academic integrity, the Water Editorial Office has taken the decision to retract [1].

We apologize to the readers of Water for any inconvenience caused. The decision to retract has been taken in agreement with the authors of [1].

MDPI is a member of the Committee on Publication Ethics and takes the responsibility to enforce strict ethical policies and standards very seriously. To ensure the addition of only high quality scientific works to the field of scholarly publication, [1] is retracted and shall be marked accordingly.
